

# TEXTBOOK RESERVATION

2009-2010

The Saint Shop is offering a special program called Textbook Reservation Service, in which books are ordered, boxed, and ready for students/parents when the Saint Shop opens. This service is available to all students in grades 6 – 12. Students who reserve their textbooks have first priority on used books.

Payment will be due when books are picked up at the Saint Shop. No deposit is required to reserve textbooks.

## **Textbook Return Policy**

Any books purchased through the Textbook Reservation Service may be returned for a refund minus the 20% restocking fee during the first ten days of classes, provided you bring your cash register receipt and the books are in their original issued condition.

## **Please Print:**

### General Information

Textbooks are sold to students in grades 6-12. Students may take notes in the book or use the text as reference and make notes on other materials.

The prices indicated are those given to us by our suppliers at the time of this printing; prices can change.

### Textbook Reservation

Middle and high school parents will be able to reserve a student's textbooks starting in June. **The deadline for Textbook Reservation is July 15, 2009.**

### Used Books

The book list identifies books by the title and by International Standard Book Number (ISBN). The ISBN coding is used throughout the publishing industry. You can identify a book offered to you for sale by some source other than the school by checking the ISBN (usually on the back of the cover). Do not buy a used book without checking the ISBN.

The school makes every effort to see that used textbooks conform to the school's standards; however, it is impossible to check every page of each used book. We depend entirely on the honesty and integrity of the students who have resold the books to the school. Used books are sold "as is," therefore, please check each used book purchased from the school at the time of the purchase.

### Payment Methods

Discover, MasterCard, Visa, and debit cards are accepted as payment for textbooks as well as cash and checks. A receipt will be issued and must be retained for exchanges or refunds. The student must have the credit card. **No Charge Numbers Will Be Accepted Without a Card.**

**Since price changes or non-availability may occur, do not send checks to school for specific amounts.**

### Textbook Return Policy

- Returned textbooks will have a 20% Restocking Fee charged at the time of return.
- **The 20% Restocking Fee** will be deducted from the amount of the original purchase price on the credit card or deducted from the purchase price on the amount of the refund check.
- **RECEIPTS MUST** be presented for a refund or an exchange. **KEEP YOUR RECEIPT!**
- Refunds for **credit card purchases** will be credited to the account charged. Credit card must be presented.
- The Briarcrest Business Office will issue refunds for **cash and check purchases** with a Briarcrest check mailed to the purchaser. **No cash is given at the time of return.**
